***Better Integration of Care requires  
better Coordination of Care***

## **Making Coordination of Care with the best MH Private Practice Therapists Easier for You - Better for Your Patients**

Following quick and easy registration, we verify your employment at your medical group to ensure Patient Confidentiality/HIPAA Compliance. Once verified, you will have direct, "back-channel" access to **FCA's MH Care Coordinators** electronically or by phone.

### **FCA's Care Coordinators facilitate:**

- \* **"Smart Referrals" (ask us how)**
- \* **Convenient, HIPAA secure messaging between Medical and MH providers for non-urgent communications**
- \* **Scheduling urgent phone consults for mutual patients**
- \* **Your requests for brief treatment reports from our providers**

## **FCA Now Offers a Medical Referral Source Hotline**

**Facilitating better communication between busy Medical and MH Providers**
